

HERA

Semi Automatic Linear Sealing Machine with or without MAP

HERA with its innovative, high speed- low agitation conveyor; steadily conveys trays to sealing position.

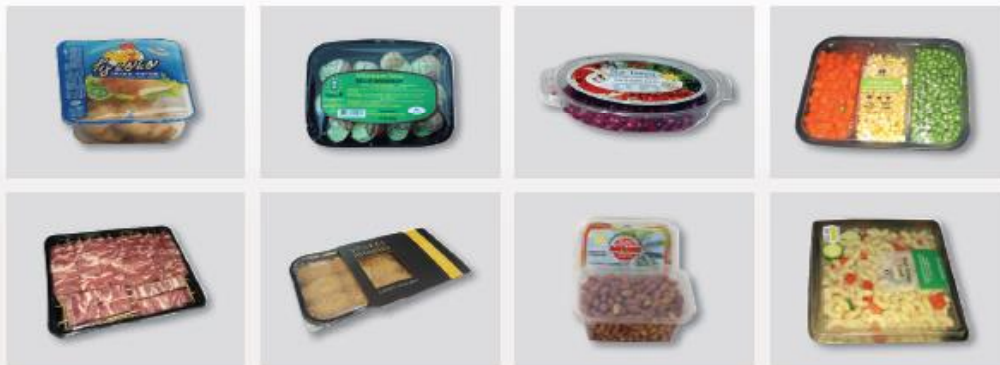

This conveyor's flexibility enables fast & easy switch between products.

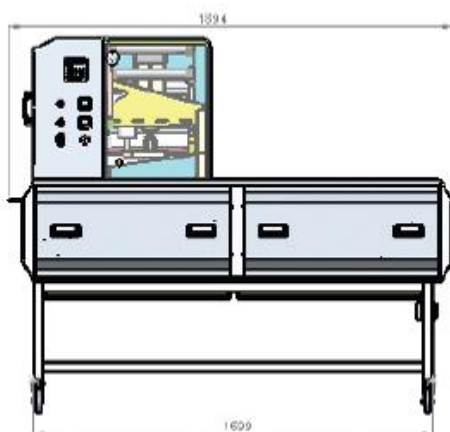

HERA is a versatile and compact machine, ideal for precise conveying of any product and tray: standard, round, oval or shallow without restrictive inserts.

The ultimate solution for frozen products.

HERA has the advantage of a high speed conveying linear machine and the precision of fixed shape inserts.
